Base Mats

Product Features:

Base mats offer an economical barrier for mud, dirt and soilage deposited by foot traffic. The mats feature aluminum or rubber hinged framework with cushioned supports at the bottom of each segment. All Base Mats facilitate easy cleanup--just roll mat up and clean the area beneath. Base Mats are available with frames and vinyl spacers for recessed applications, and ramps for surface applications-- in metal and vinyl. Please refer to page 7 of the catalog for product types, colors and details.

Where should I use Base mats?

- Surface and recessed applications
- Best for use in Medium to light traffic areas
- Ideal for exterior and interior entryways, foyers, and vestibules
